

Sand Making Jaw Stone Crusher Machine

Basic Information

- Place of Origin: China
- Brand Name: Ascend
- Certification: CE/ISSO9001
- Model Number: 800x400 800x600 800x800
- Minimum Order Quantity: 1 set
- Price: USD 3500-18000 Per set
- Packaging Details: Water and rust proof in wooden box or cotainer
- Delivery Time: 7-10 working days
- Payment Terms: T/T, Western Union

Product Specification

- Type: Sand Making Fine Crusher
- Condition: New
- Weight: According To The Model
- Dimension(l*w*h): 2190x2206x2300mm
- Warranty: 1 Year
- Motor Type: AC Motor
- Application: Mining,stone
- Highlight: **Jaw sand making crusher, quartz sand making machine**

Product Description

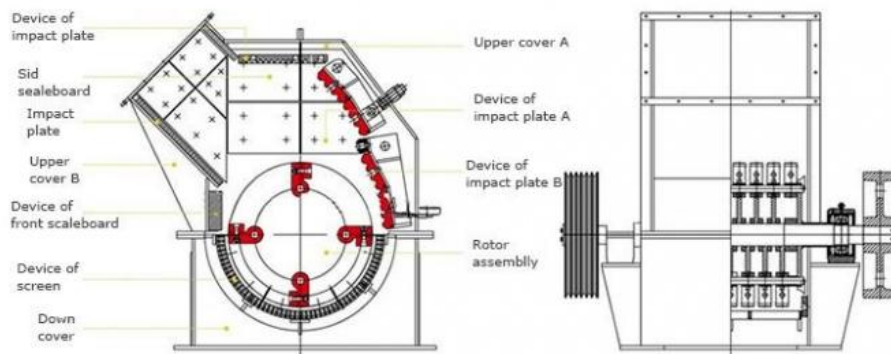

High crushing capacity high efficiency fine crusher sand making machine spare parts price

High efficiency fine crusher is also known as tertiary crusher, which is widely used for the fine crushing of granite, basalt, limestone, pebble, cement clinker, quartz, iron ore, bauxite and other minerals.

Fine crusher is also suitable for the high quality sand and stone production in highway, railway, water conservancy, airport, construction industry, cement industry, refractory industry, metallurgy industry, etc.

Comparison of Materials before Crushing and After Crushing by Tertiary Crusher

The Features Of Tertiary Crusher:

1. Stable and reliable performance, brief process, simple structure, convenient maintenance.
2. Large production capacity and long service life of the hammer.
3. Its investment is 35%-50% lower than the coequal scale traditional process, the output efficiency is 35%-50% higher than the same scale of traditional equipment
4. The long run maintenance cost is 35%-50% lower than the same size of the traditional process. It is widely used for high quality aggregates making in highway, railway, water conservancy, airport, construction, cement, refractory, metallurgy and other industries.

Fine Crusher Price:

We are specialized in producing fine crusher, and we have fine crusher for sale. After 15 years of research and development experience of crushing equipment, our fine crusher has unique technology. Fine crusher price will be slightly different from the models, if you want to know more details, please contact us, and our sales staff will answer you timely and patiently. We can ensure that our fine crusher price will make you satisfied.
