

Small Gold Milling Machine Mining Wet Stone Grinder Gold Mining Pans 1-2 Ton Per Hour

Our Product Introduction

for more products please visit us on mining-crushermachine.com

Basic Information

- Place of Origin: China
- Brand Name: ASCEND
- Certification: CE
- Model Number: 1 Set
- Minimum Order Quantity: 1 SET
- Price: 4000-5000 USD Per Set
- Packaging Details: wooden box in container
- Delivery Time: 10 Days
- Payment Terms: L/C, T/T, Western Union, MoneyGram
- Supply Ability: 100 set per month

Product Specification

- Product Name: Wet Pan Mill
- Feeding Size: Different Models
- Advantages: High Productivity
- Application: Metal Materials
- Grinding Material: 200+ Materials
- Keywords: Wet Pan Grinding Mill
- Motor Type: AC Motor
- Warranty: 1 Year
- Highlight: Small Gold Wet Pan Mill

Product Description

Product Description

Wet pan mill is the best equipment to replace ball mill. because it have small investment, high output, low production cost, good efficiency and easy installation. And the machine is the ideal beneficiation equipment for small and medium-sized enterprise. Wet pan mill is mainly used to process the gold, silver, lead, zinc, iron, molybdenum, copper, antimony. The wet pan mill is named by the diameter of roller. $\Phi 1300$, $\Phi 1350$, $\Phi 1400$, $\Phi 1500$, $\Phi 1600$ is suitable for selection of iron ore, molybdenum ore, lead ore, zinc ore, antimony ore and so on. $\Phi 850$, $\Phi 900$, $\Phi 1000$, $\Phi 1100$, $\Phi 1200$ is suitable for selection of gold ore. Above all, 1200a type is the most popular and widely use.

Working Principle

Main parts of wet pan mill (tahona) are frame, basin, grinding roller, grinding base, speed reducers, motor and etc. Firstly, motor transmits power to speed reducer, then center driving shaft transmits into horizontal shaft, finally grinding roller will move counterclockwise and material will be ground into fine particle in the wet pan mill (tahona).

Main Features of Wet Pan Mill

It has the features of low investment, low consumption, high production capacity, high efficiency, easy installation and maintenance.

The grinding wheels and grinding base are made of high manganese steel. They are very hard and rigid, thus using life doubled.

Company information

Ascendmachinery expands its business in more than 160 countries and regions

Henan Ascend Machinery & Equipment Co., Ltd. was established in 2005 and it is located in the high-tech zone of Zhengzhou City, Henan Province. As a technology driven mining equipment company, it is committed to the R&D, production, sales and after-sales service of mining machinery and equipment.

The company's main products are crushers, grinding mill equipment, mineral beneficiation equipment, rotary dryer and crusher & grinding mill spare parts. In addition to the Chinese domestic market.

FAQ

Q1: Are you trading company or manufacturer?

A: We are factory.

Q2: How long is your delivery time?

A: Generally it is 7-10 days if the goods are in stock. or it is 15-30 days if the goods are not in stock, it is according to quantity.

Q3: What is your payment method?

A: 30% of total price should be paid by T/T as down payment; 70% balance payment should be paid by T/T before delivery.

Q4: What Information should customers give us, So that we can be able to provide you suitable quotation and service.

What minerals are you separating?

What's the maximum size of your raw minerals?

How much capacity do you need per hour for your project?

Q5: How long is the warrenty of your equipments? Does your company supply the spare parts?

A: The warranty period of crusher equipments is one year. and we will supply the spare parts for you at lowest cost.

Q6: If I need the complete crushing plant can you help us to build it?

A: Yes, we can help you combine a complete crushing line and give you related professional advices as long as you need. We had already build many mining projects in China & Overseas.

Q7:what's your motor brand?what bearing do you use?

For Motor-China top brand, also can use Siemens as per request .

For Bearing China top brand ZWZ, also can use SKF/NSK etc as per request
