

Aggregate Rock Stone Diesel Jaw Crusher Tracked Crushing Plant PE 250*400

Our Product Introduction

for more products please visit us on mining-crushermachine.com

Basic Information

- Place of Origin: China
- Brand Name: ASCEND
- Certification: CE
- Model Number: PE200x300 PE220x350 PE250x400 PE400x600
- Minimum Order Quantity: 1 set
- Price: USD 1800-4800
- Packaging Details: Wooden box or put in container
- Delivery Time: 7-10 working days
- Payment Terms: T/T, Western Union, MoneyGram, L/C
- Supply Ability: 50 Sets per month

Product Specification

- Type: Jaw Crusher
- Condition: New
- Color: Customizable
- Function: Stone Crushing
- Warranty: One Year
- After-sales Service Provided: Engineers Available To Service Machinery Overseas
- Capacity(t/h): 70-100
- Spare Parts Supply: For Whole Year
- Highlight: Diesel Jaw Stone Crusher, PE 250*400 Jaw Stone Crusher

Product Description

Aggregate Rock Stone Diesel Jaw Crusher Tracked Crushing Plant PE 250*400

Product Description

Jaw crusher adopts the machining principle of two jaw plates extruding each other. It is usually used as the first step in rock crushing of various ores. All kinds of ores with compressive strength not higher than 320Mpa can be processed into medium size at one time. Often with cone crusher, impact crusher, sand making machine to form a complete set of sand production line. Widely used in mining, metallurgy, chemical industry, building materials, electric power, water conservancy, transportation and other fields.

Performance Characteristics

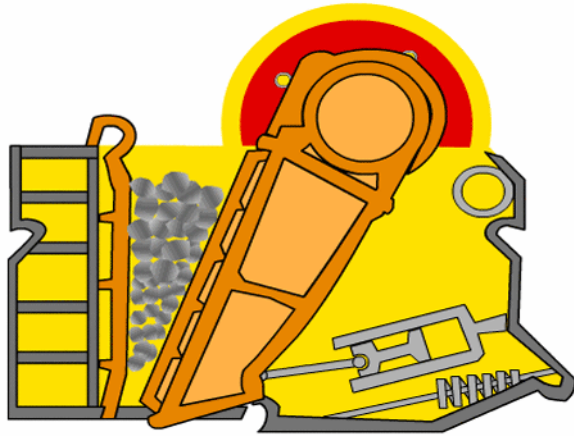

- 1.Simple structure ensures the crushing machine is not easy to break down.
- 2.Easy operation, which makes the crusher can be operated by common people.
- 3.High crushing ratio. Large stone lump can be quickly crushed into small particles.
- 4.Energy saving. The jaw crusher power amount is consumed less than other type of crushers.
- 5.Low cost, economically affordable.

Applicable Materials

Iron ore, Marble, Pebble, Gold ore, Basalt, Gold, Granite, Quartz, Limestone, Copper ore, etc.

How to Work

The Jaw Crusher is primary crusher, the motor drives the pulley and flywheel to move the eccentric shaft, so as to drive the movable jaw plate to move up, down, left and right. The materials enter from the feeding mouth and then crushed by the movable jaw plate and fixed jaw plate, and finally they are broken into the appropriate output size.

Company Profile

Henan Ascend Machinery & Equipment Co., Ltd. was established in 2005 and it is located in the high-tech zone of Zhengzhou City, Henan Province. As a technology driven mining equipment company, it is committed to the R&D, production, sales and after-sales service of mining machinery and equipment.

The company's main products are crushers, grinding mill equipment, mineral beneficiation equipment, rotary dryer and crusher & grinding mill spare parts. In addition to the Chinese domestic market, Ascend machinery expands its business in more than 160 countries and regions.

Our Workshop

FAQ

Q1. Are you factory or trading company?

We are factory specialized in manufacturing stone crushers, grinding mills, beneficiation equipments and other mining equipments. Our office and factories are based in Zhengzhou, China. Because we are factory, so we can guarantee the machine quality and we can give you very competitive factory price without extra agent cost.

Q2. To which country your products have been exported before?

In Africa, We have exported to Sudan, Kenya, Zambia, Ethiopia, Zimbabwe, Guinea, Nigeria and so on. We also exported South Africa, Chile, Peru, Ecuador, New Zealand, America, Austrilia more than 160 countries. Our equipment and service have won very high reputation in these countries.

Q3. How will you help the customer install the equipment?

We will send our senior engineer to your place to guide the installation and commissioning.

Q4. How about the wear parts supply?

We offer wear parts to our customer with our most favorable price. If there are problems you could not handle, we will send our technicians to your place.

Q5.What about the payment method?

T/T, Paypal, Western Union, L/C is available.

Q6.What about after-sale service?

12 months warranty for all kinds of products; and you will get our 7*24h online service.
