

Two Roller Crusher Mill Machine For Mining Quarry Machine For Clay Limestone

Our Product Introduction

for more products please visit us on mining-crushermachine.com

Basic Information

- Place of Origin: China
- Brand Name: ASCEND
- Certification: CE
- Model Number: 2PG400x250 2PG610x400 2PG750x500
- Minimum Order Quantity: 1 set
- Price: USD 3000-15000 Per set
- Packaging Details: Wooden box or put in container
- Delivery Time: 10 working days
- Payment Terms: T/T, Western Union
- Supply Ability: 20 set per month

Product Specification

- Type: Double Roller Crusher
- Condition: New
- Color: Customizable
- Function: Stone Crushing
- Warranty: 1 Year
- After-sales Service Provided: Field Installation
- Spare Parts Supply: Anytime
- Key Words: Double Roll Crusher
- Highlight: Mining Quarry Crusher Mill Machine, Two Roller Crusher Mill Machine, Clay Limestone Crusher Mill Machine

Product Description

Two Roller Crusher Mill Machine For Mining Quarry Machine For Clay Limestone

Product Description

The product can be classified into double roller crusher and four roller crusher according to the roller quality. The products are widely used in coal metallurgy ,mining,chemicals,building materials and other industries is more applicable to large-scale coal mine or coal preparation plant (including waste)is broken. Double roller crusher with stable operation, easy maintenance, low cost, output size adjustable.

Working Principle

The main structure of the wheel gearing is composed of fixed roll, movable roll, drive shaft, machine box, chassis, cover piece and long gear cover. The motive power of the machine comes from the V-belt pulley of the electromotor, and a pair of middle reduction gear will make the fixed roll rotate, and then a pair of long gear drive on the other side of the fixed roll will drive the movable roll, and the two rolls perform relative movement to squeeze the materials.

Company Profile

Henan Ascend Machinery & Equipment Co., Ltd. was established in 2005 and it is located in the high-tech zone of Zhengzhou City, Henan Province. As a technology driven mining equipment company, it is committed to the R&D, production, sales and after-sales service of mining machinery and equipment.

The company's main products are crushers, grinding mill equipment, mineral beneficiation equipment, rotary dryer and crusher & grinding mill spare parts. In addition to the Chinese domestic market, Ascend machinery expands its business in more than 160 countries and regions.

Our Workshop

FAQ

Q1. Are you factory or trading company?

We are factory specialized in manufacturing stone crushers, grinding mills, beneficiation equipments and other mining equipments. Our office and factories are based in Zhengzhou, China. Because we are factory, so we can guarantee the machine quality and we can give you very competitive factory price without extra agent cost.

Q2. To which country your products have been exported before?

In Africa, We have exported to Sudan, Kenya, Zambia, Ethiopia, Zimbabwe, Guinea, Nigeria and so on. We also exported South Africa, Chile, Peru, Ecuador, New Zealand, America, Austrilia more than 160 countries. Our equipment and service have won very high reputation in these countries.

Q3. How will you help the customer install the equipment?

We will send our senior engineer to your place to guide the installation and commissioning.

Q4. How about the wear parts supply?

We offer wear parts to our customer with our most favorable price. If there are problems you could not handle, we will send our technicians to your place.

Q5.What about the payment method?

T/T, Paypal, Western Union, L/C is available.

Q6.What about after-sale service?

12 months warranty for all kinds of products; and you will get our 7*24h online service.
