

100-120tph Limestone Quartz Breaker Portable Mobile Jaw Crushing Machine

Basic Information

- Place of Origin: China
- Brand Name: ASCEND
- Certification: CE
- Model Number: PE200x300 PE220x350 PE250x400 PE400x600
- Minimum Order Quantity: 1 Set
- Price: USD 4800-38000 Per set
- Packaging Details: Water and rust proof in wooden box or container
- Delivery Time: 10 working days
- Payment Terms: T/T, Western Union
- Supply Ability: 10 set per month

Product Specification

- Name: Mobile Jaw Crusher
- Warranty: One Year
- Spare Parts Supply: Supply Any Time
- After-sales Service Provided: Engineers Available
- Capacity: 100-120TPH
- Color: Customized

Product Description

100-120tph Limestone Quartz Breaker Portable Mobile Jaw Crushing Machine

Product Description

The wheel-type mobile crusher is a kind of crushing equipment with high efficiency when moving. It adopts a self-driven mode, advanced technology, and complete functions. It has excellent station mobility and adaptability to the work site. It does not require preliminary preparations before installing the fixed crushing plant. It can complete the station adjustment quickly and enter the working state anytime.

Performance Characteristics

1. Move easily.
2. Compact structure and simple operation. .
3. Save the cost.
4. Wide applicability.
5. Stable performance and convenient maintenance.
6. Flexible configuration.

Company Profile

Henan Ascend Machinery & Equipment Co., Ltd. was established in 2005 and it is located in the high-tech zone of Zhengzhou City, Henan Province. As a technology driven mining equipment company, it is committed to the R&D,

production, sales and after-sales service of mining machinery and equipment.

The company's main products are crushers, grinding mill equipment, mineral beneficiation equipment, rotary dryer and crusher & grinding mill spare parts. In addition to the Chinese domestic market, Ascend machinery expands its business in more than 160 countries and regions.

Our Workshop

FAQ

Q1. Are you factory or trading company?

We are factory specialized in manufacturing stone crushers, grinding mills, beneficiation equipments and other mining equipments. Our office and factories are based in Zhengzhou, China. Because we are factory, so we can guarantee the machine quality and we can give you very competitive factory price without extra agent cost.

Q2. To which country your products have been exported before?

In Africa, We have exported to Sudan, Kenya, Zambia, Ethiopia, Zimbabwe, Guinea, Nigeria and so on. We also exported South Africa, Chile, Peru, Ecuador, New Zealand, America, Austrilia more than 160 countries. Our equipment and service have won very high reputation in these countries.

Q3.What about the payment method?

T/T, Paypal, Western Union, L/C is available.

Q4. How about the wear parts supply?

We offer wear parts to our customer with our most favorable price. If there are problems you could not handle, we will send our technicians to your place.

Q5.What about after-sale service?

12 months warranty for all kinds of products; and you will get our 7*24h online service.

Q6. How will you help the customer install the equipment?

We will send our senior engineer to your place to guide the installation and commissioning.
