

Simple Structure Jaw Stone Crusher Machine With Easy Maintenance

Our Product Introduction

more products please visit us on mining-crushermachine.com

Basic Information

- Place of Origin: China
- Brand Name: Ascend
- Certification: ISO9001
- Model Number: PE250x400 PE400x600 PE500x750
- Minimum Order Quantity: 1 set
- Price: USD2000-9000
- Packaging Details: Wooden box or put in container
- Delivery Time: 10-20 working days
- Payment Terms: T/T, Western Union, MoneyGram, L/C
- Supply Ability: 20 Set per month

Product Specification

- Characteristic 15: Reduces Maintenance Costs
- Product Category: Jaw Stone Crusher Machine
- Characteristic 14: Reduces Failure Rate
- Online Service Time: 7*24hours
- Characteristic 1: Large Crushing Ratio
- Characteristic 2: Uniform Product Particle Size
- Core Selling Point: High Productivity
- Characteristic 16: Final Products Are Aggregates After Jaw Crusher Crushing
- Highlight: **Simple Structure Stone Crusher Machine, Simple Structure Jaw Stone Crusher Machine, Easy Maintenance Jaw Stone Crusher Machine**

Product Description

Product Description:

One of the standout characteristics of this jaw crusher machine is its ease of maintenance. The machine is designed to be user-friendly and easy to access for routine maintenance, ensuring that it remains in peak condition and delivers reliable performance over time. The Jaw Stone Crusher Machine is also incredibly versatile, with a wide range of applications. Whether you're working with rock materials, ores, or minerals, this machine is capable of handling them all. Its rugged design and powerful crushing capabilities make it an ideal option for a range of industries and applications.

Overall, if you're looking for a reliable and powerful primary jaw crusher machine that can handle a wide range of materials and applications, the Jaw Stone Crusher Machine is an excellent choice. With its rugged design, ease of maintenance, and wide application range, it is sure to deliver reliable performance and excellent value over the long term.

Features:

Product Name: Jaw Stone Crusher Machine (Also known as Ore Stone Crusher Machine)

Product Category: Jaw Stone Crusher Machine

Industrial Crushing Equipment

Aggregate Jaw Crusher

Granite Crusher Machine

Characteristic 7: Can crush materials with compressive strength not exceeding 320 MPa

Characteristic 10: Durable and reliable

After Sale Service: 7*24hours

Technical Parameters:

| | |
|----------------------|--|
| Product Category: | Jaw Stone Crusher Machine |
| Other Name: | Ore Stone Crusher Machine |
| Online Service Time: | 7*24hours |
| Characteristic 1: | Large crushing ratio |
| Characteristic 2: | Uniform product particle size |
| Characteristic 6: | Economical operation cost |
| Characteristic 11: | Wide application |
| Characteristic 13: | Most jaw plates made of high manganese steel |
| Characteristic 15: | Reduces maintenance costs |
| Characteristic 16: | Final products are aggregates after Jaw Crusher crushing |

Applications:

The Ascend Jaw Stone Crusher Machine is a versatile and efficient piece of equipment that can be used in a variety of different contexts and applications. This product is available in three different models to suit a range of needs and preferences: the PE250x400, PE400x600, and PE500x750. All models are certified to meet ISO9001 quality standards and are manufactured in China. The minimum order quantity for this product is one set, and the price ranges from USD2000-9000 depending on the model chosen.

The Ascend Jaw Stone Crusher Machine is a great choice for a wide range of product application occasions and scenarios. For example, this product is an excellent choice for those in the mining industry who need to crush rock materials and ores. Whether you need to crush granite or other hard rock materials, this product is up to the task. Additionally, this product is a preferred option for primary crushing, making it a must-have for those in the construction industry who need to break down large pieces of rock for further processing.

One of the key features of the Ascend Jaw Stone Crusher Machine is its large crushing ratio. This means that it is capable of breaking down even the toughest materials with ease. Furthermore, this product is characterized by its ability to crush a wide range of materials, making it a versatile choice for those who need a reliable crushing machine for a variety of different projects.

When you purchase the Ascend Jaw Stone Crusher Machine, you can rest assured that you are getting a high-quality product that is backed by excellent customer service. Our online service team is available 24/7 to answer any questions or concerns you may have about this product or any of our other offerings. We also offer a range of payment and delivery options to make the purchasing process as easy as possible for our customers. With a supply ability of 20 sets per month, we are confident that we can meet your needs in a timely and efficient manner.

Delivery time for the Ascend Jaw Stone Crusher Machine is typically between 10-20 working days, and the product is packaged in a sturdy wooden box or container to ensure safe transportation. With its excellent performance and versatile applications, the Ascend Jaw Stone Crusher Machine is a great investment for anyone in need of a reliable rock crushing machine for their business or personal projects.

Order your Ascend Jaw Stone Crusher Machine today and experience the power and efficiency of this top-of-the-line product!

Support and Services:

The Jaw Stone Crusher Machine product technical support and services include:

- Installation guidance and training
- Maintenance and repair services
- Troubleshooting assistance
- Replacement parts and accessories
- Technical consultations

Packing and Shipping:

Product Packaging:

The Jaw Stone Crusher Machine is packaged securely in a wooden crate to ensure safe transportation.

All necessary parts are included and labeled for easy assembly.

The crate is sealed and marked with the product name and specifications for easy identification.

Shipping:

The Jaw Stone Crusher Machine is shipped via a reliable carrier to ensure timely and safe delivery.

The shipping cost is calculated based on the destination and weight of the package.

The customer will receive a tracking number to monitor the status of the shipment.

If any damages occur during shipping, please contact us immediately for resolution.

FAQ:

Q1: What is the brand name of this stone crusher machine?

A1: The brand name of this stone crusher machine is Ascend.

Q2: What are the available models of this stone crusher machine?

A2: The available models of this stone crusher machine are PE250x400, PE400x600, and PE500x750.

Q3: Is this stone crusher machine certified?

A3: Yes, this stone crusher machine is certified with ISO9001.

Q4: Where is this stone crusher machine manufactured?

A4: This stone crusher machine is manufactured in China.

Q5: What are the payment terms and delivery time of this stone crusher machine?

A5: The payment terms for this stone crusher machine are T/T, Western Union, MoneyGram, and L/C. The delivery time is 10-20 working days, and the packaging details are wooden box or put in container.

| Model | Feed opening size(mm) | Max feeding size(mm) | Discharge range(mm) | Capacity(t/h) | Power (kw) | Weight (t) |
|-------------|-----------------------|----------------------|---------------------|---------------|------------|------------|
