

## High Capacity Granite Crusher Machine With Reduced Maintenance Costs

Our Product Introduction

more products please visit us on [mining-crushermachine.com](http://mining-crushermachine.com)

### Basic Information

- Place of Origin: China
- Brand Name: Ascend
- Certification: ISO9001
- Model Number: PE250x400 PE400x600 PE500x750
- Minimum Order Quantity: 1 set
- Price: USD2000-9000
- Packaging Details: Wooden box or put in container
- Delivery Time: 10-20 working days
- Payment Terms: T/T, Western Union, MoneyGram, L/C
- Supply Ability: 20 Set per month

### Product Specification

- Characteristic 4: Reliable Operation
- Characteristic 10: Durable And Reliable
- Product Category: Jaw Stone Crusher Machine
- Product Name: Primary Jaw Crusher PE500x750  
PE600x900 80 100tph For Gypsum Quartz  
Limestone Used In Kenya Congo
- Characteristic 3: Simple Structure
- Characteristic 8: Preferred Equipment For Primary Crushing
- Characteristic 12: Can Be Used To Crush Various Ores And  
Rock Materials
- Characteristic 16: Final Products Are Aggregates After Jaw  
Crusher Crushing
- Highlight: **High Capacity Granite Crusher Machine,  
Reduced Maintenance Costs Granite Crusher**

## Product Description

### Product Description:

### Features:

Product Name: Jaw Stone Crusher Machine  
Other Name: Ore Stone Crusher Machine  
Product Category: Jaw Stone Crusher Machine  
Characteristic 3: Simple structure  
Characteristic 10: Durable and reliable  
Characteristic 12: Can be used to crush various ores and rock materials  
Keyword: Stone Jaw Rock Crusher  
Keyword: Industrial Crushing Equipment  
Keyword: Mobile Jaw Crushing Plant

### Technical Parameters:

Product Name	Primary jaw crusher PE500x750 PE600x900 80 100tph for gypsum quartz limestone used in Kenya Congo
Capacity	10-200tph
Characteristic 1	Large crushing ratio
Characteristic 3	Simple structure
Characteristic 8	Preferred equipment for primary crushing
Characteristic 9	High capacity
Characteristic 10	Durable and reliable
Characteristic 12	Can be used to crush various ores and rock materials
Characteristic 13	Most jaw plates made of high manganese steel
Online Service Time	7*24hours

### Applications:

Ascend brand Heavy Duty Stone Crusher is a type of industrial crushing equipment that is primarily used in the mining and construction industry. With its durable and reliable construction, it is capable of crushing large quantities of rock and ore into fine particles. The Ascend Jaw Stone Crusher Machine comes in three different models, PE250x400, PE400x600 and PE500x750, all of which are ISO9001 certified and made in China.

With a minimum order quantity of 1 set and a price range of USD2000-9000, the Ascend Jaw Stone Crusher Machine is an affordable choice for those looking for high productivity and wide application. The product has a supply ability of 20 sets per month and a delivery time of 10-20 working days. The packaging details include a wooden box or container, making it easy to transport and store.

One of the core selling points of the Ascend Jaw Stone Crusher Machine is its high productivity. It is capable of crushing 10-200tph of rock and ore, making it a reliable choice for industrial applications. Its durability and reliability make it suitable for use in harsh environments and its wide application makes it an ideal choice for a variety of scenarios.

Whether you are in the mining industry, construction industry, or any other industry that requires rock crushing, the Ascend Jaw Stone Crusher Machine is the perfect solution. With its wide application, it can be used to crush a variety of materials, including granite, marble, basalt, limestone, quartz, cobble, iron ore, copper ore, and more.

Payment terms for the Ascend Jaw Stone Crusher Machine include T/T, Western Union, MoneyGram, and L/C, making it easy to purchase for customers all over the world. With its durable construction, high productivity, and wide application, the Ascend Jaw Stone Crusher Machine is a reliable and cost-effective solution for all your rock crushing needs.

### Support and Services:

The Jaw Stone Crusher Machine product comes with comprehensive technical support and services to ensure optimal performance and long-term reliability. Our team of experienced technicians is available to provide on-site installation and commissioning, as well as training on proper usage and maintenance. Additionally, we offer regular maintenance and repair services, as well as troubleshooting support to quickly address any issues that may arise. Our commitment to customer satisfaction also includes providing spare parts and upgrade

options to improve the efficiency and performance of the Jaw Stone Crusher Machine product.

Packing and Shipping:

Product Packaging:  
One Jaw Stone Crusher Machine wrapped with plastic film  
One set of instruction manual and tool kit included  
Packed in a wooden crate for added protection during transport  
Shipping Information:  
Shipping method: Ocean freight  
Estimated delivery time: 30-45 days  
Shipping cost: To be determined based on destination  
Shipping insurance: Included in shipping cost

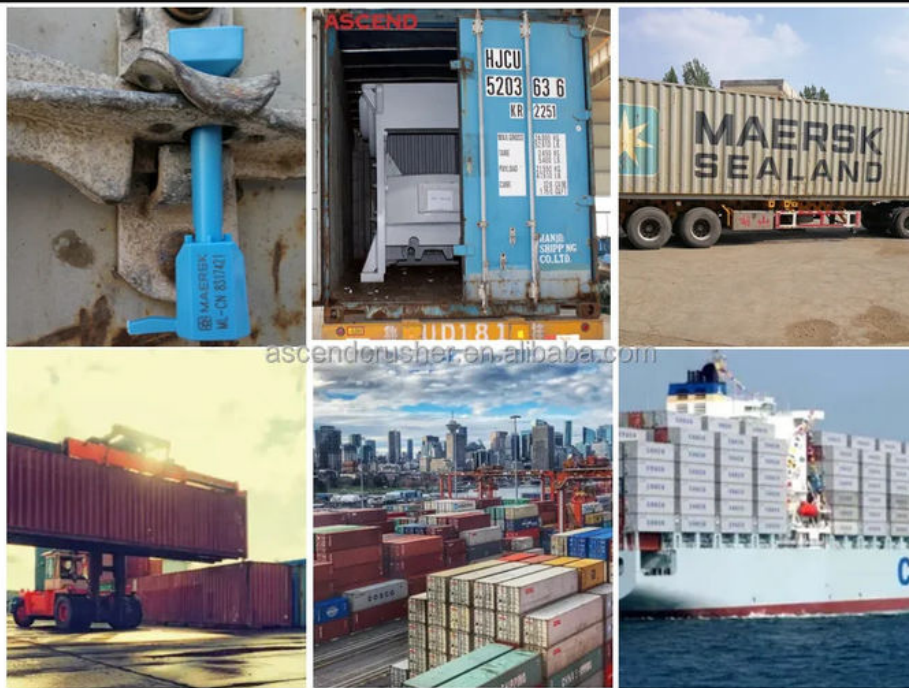

FAQ:

**Q: What is the brand name of this stone crusher machine?**  
A: The brand name of this stone crusher machine is Ascend.  
**Q: What are the different models of this stone crusher machine?**  
A: This stone crusher machine is available in three different models - PE250x400, PE400x600, and PE500x750.  
**Q: Is this stone crusher machine certified?**  
A: Yes, this stone crusher machine is certified with ISO9001.  
**Q: Where is this stone crusher machine manufactured?**  
A: This stone crusher machine is manufactured in China.  
**Q: What is the minimum order quantity for this stone crusher machine?**  
A: The minimum order quantity for this stone crusher machine is 1 set.  
**Q: What is the price of this stone crusher machine?**  
A: The price of this stone crusher machine ranges from USD2000-9000.  
**Q: What are the payment terms for this stone crusher machine?**  
A: The payment terms for this stone crusher machine are T/T, Western Union, MoneyGram, and L/C.  
**Q: What is the supply ability of this stone crusher machine?**  
A: The supply ability of this stone crusher machine is 20 sets per month.  
**Q: What is the delivery time for this stone crusher machine?**  
A: The delivery time for this stone crusher machine is 10-20 working days.  
**Q: How is this stone crusher machine packaged?**  
A: This stone crusher machine is packaged in a wooden box or put in a container.

Model	Feed opening size(mm)	Max feeding size(mm)	Discharge range(mm)	Capacity(t/h)	Power (kw)	Weight (t)
