

## 50 60 70kg/h Capacity Disk Gold Powder Grinding Machine FT-200 FT-250 Models In Mining Building To Africa

Our Product Introduction

for more products please visit us on [mining-crushermachine.com](http://mining-crushermachine.com)

### Basic Information

- Place of Origin: CHINA
- Brand Name: Ascend
- Certification: ISO9001
- Model Number: FT-150, FT-175, FT-200, FT-250, FT-300
- Minimum Order Quantity: 1 set
- Price: USD 660 -780 set
- Packaging Details: Water and rust proof in wooden box or container
- Delivery Time: 7-10 work days
- Payment Terms: T/T, Western Union
- Supply Ability: 30 High Efficiency Low Energy

**ASCEND**

### Product Specification

- Name: Mineral Ore Sample Disc Mill
- Product Name: Ore Sample Grinding Mill Pulverizer
- The Machines Classification: Micron Milling Machines
- Keywords: Grinding Mill
- Advantages: High Efficiency Low Energy
- Highlight: **Disk Gold Powder Grinding Machine, 70kg/h Gold Powder Grinding Machine**

**ASCEND**

## Product Description

### Lab used mineral ore sample disc grinding mill pulverizer

Small ore sample disc mill, also called ore sample making machine, is used for grinding the sample material of any kind of hardness to analyzable fineness continuously or intermittently for component analysis. The input size can be less than 10 mm, and the final output size is between 80-200 mesh according to your request.

### Product Advantages

1. Rapid grinding by friction force.
2. Full-sealed design and no dust pollution which meets environmental protection requirements

3. Low working noisy and easy for sample collecting.
4. It can work normally on the flat ground without fixing any base

### Specification

Model	FT-150	FT-175	FT-200	FT-250	FT-300
Disc dia.(mm)	150	175	200	250	300
Feed size(mm)	≤4	≤6	≤8	≤8	≤10
Discharge size(mesh)	80-200	80-200	80-200	80-200	80-200
Capacity(kg/h)	6-20	10-30	30-60	60-80	80-100
Power(KW)	1.5	1.5	2.2	3	3
Voltage	380V50HZ	380V50Hz	380V 50Hz	380V50Hz	380V 50Hz
Main shaft speed(r/m)	800	800	800	800	650

### Application

### After-sales service

After customer buys the equipment, if they need, we will send professional engineer to their site for insallation, commissioning and staff training. We will offer 1 year long warranty time since the machine running. Customer satisfaction is our ultimate pursuit.
