

Small Capacity 1 2 3tph Mobile Jaw Crusher PE150x250 For Basalt Limestone Gold Ore Crushing In Energy&Mining

Our Product Introduction

for more products please visit us on mining-crushermachine.com

Basic Information

- Place of Origin: CHINA
- Brand Name: ASCEND
- Certification: ISO9001
- Model Number: PE150x250
- Minimum Order Quantity: 1 set
- Price: USD 4400- 5600 set
- Packaging Details: Water and rust proof in wooden box or container
- Delivery Time: 7-10 work days
- Payment Terms: T/T, Western Union
- Supply Ability: 30 set per month

Product Specification

- Product Name: Mobile Jaw Crusher Machine
- Keyword: Jaw Stone Crusher
- The Machines Classification: Stone Crushing Equipment
- After Sale Service: Life-long Service
- Highlight: **3tph mobile jaw crusher, small capacity mobile jaw crusher**

Product Description

Small scale mobile jaw crusher by diesel engine driven

Product Description

Mobile crushing station adopts multistage crush process in crushing large size materials. It is used in mining, building material, highway, railway, water conservancy and other industries for a complete crushing and screening operation, which can produce the required size and capacity.

Features and advantages

- High crushing ratio. Large stones can be quickly broken into small pieces.
- Hopper mouth adjustment range is large, can meet the requirements of different users.
- High capacity. It can handle 16 to 60 tons of material per hour.
- Uniform size simple and Simple maintenance.
- Simple structure, reliable operation, low operating costs.
- Low noise, little dust.

Working principle

According to different crushing process requirements, it can be composed of "first crushing and then screening" or "first screening and then crushing" process. It can also be combined into three kinds of coarse, medium and fine crushing screening system according to the actual needs.
